INTERNATIONAL RAPESEED CONGRESS

Dear Sir or Madam,

Flowering for the Future

The 15th International Rapeseed Congress, which will take place from 16th to 19th June 2019 in Berlin, is the world's biggest congress to take both a scientific and practical approach to rapeseed research. The prestigious event will be held in Germany for the first time in 45 years. The Union for the Promotion of Oil and Protein Plants (UFOP) is pleased to have taken on the task of organizing this internationally significant congress.

In the summer of 2019, up to 900 German and international participants, including representatives from the most important scientific institutions and research institutes, and from leading industrial enterprises from around the world, will discuss the importance of rapeseed production and the current situation in terms of research into cultivating, growing, processing and using rapeseed.

We are delighted to be able to provide your company with an opportunity to present your products at the congress. Agricultural machinery is to be shown on the forecourt of the congress location, the bcc Berlin Congress Center, where selected vehicles and components will be introduced to congress participants. This is a pure open-space presentation without any tent structures. That means only appropriately dimensioned exhibits can be included. Exhibitor participation encompasses congress sponsoring, which will also include further services over and above the exhibition.

Three categories are available for participation depending on the exhibition space required:

- 1. Exhibition sponsoring A (20 – 60 m²), 12,500 EUR plus VAT**
- 2. Exhibition sponsoring B (up to 20 m²), 7,500 EUR plus VAT**
- 3. Exhibition sponsoring C (up to 10 m²), 5,000 EUR plus VAT**

Services included:

- Guarded exhibition area on the congress forecourt
- Listing in the program (print/digital) as exhibition sponsor with logo
- Listing on the congress website, irc2019-berlin.com, as exhibition sponsor with logo and URL
- Reduced participation fee for the official congress dinner at Berlin Tempelhof Airport or Berlin Postbahnhof on 18.06.2018 (EUR 50 instead of EUR 100/person)

The 1,200-m² exhibition area is located in the heart of the German capital. Please contact us using the reply form below if you wish to take advantage of this opportunity to present your products. We will reply promptly to discuss the technical and organizational details with you.

If you have any questions about these opportunities, please contact our organizational team, led by UFOP CEO Stephan Arens, or the agency supporting the congress, WPRC: they will be happy to assist you. You can contact us by phone on +49 30 31904-202 (UFOP) and +49 30 440388-0 (WPRC) or by e-mail at info@irc2019-berlin.com

I'll look forward to your reply and your attendance.

Yours sincerely,

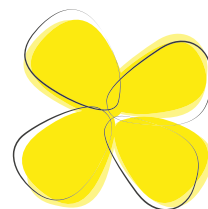

Prof. Wolfgang Friedt
Chair, President of the GCIRC

Reply form

We'd be happy to give you any advice on exhibition options.
We'll look forward to hearing from you, either by phone, eMail or fax.
